To help you identify the right hotel or resort, we've included a few handy pointers within this mini brochure, look out for;

● Complimentary WiFi

Hotels or resorts offering complimentary WiFi anywhere on its grounds*, will carry this icon.

*This could be in public areas only, and is subject to availability

● Family friendly

If children are more than just welcome, in fact there are facilities specifically for children e.g. kids' club, children's pool, children's play area and children's dining options, you'll see this icon on the page.

● Adult only

For grown up hotels and resorts, look out for this icon - it means all guests will be aged 16 or over.

Before you travel – the five point checklist

1. Check FCDO travel advice
2. Check the latest health advice for your destination
3. Speak to your travel insurer
4. Complete the passenger locator form 48 hours before flying in to the UK
5. Never travel if you display coronavirus symptoms

Plus, you must understand the public health requirements of your destination country and any restrictions on re-entering the UK.

Be travel wise

There are a number of factors for you to consider before you travel. Some destinations have reopened or are beginning to re-open their borders, international flights are operating and hotels are opening their doors. However, at the time of publication, travel restrictions remain in place across a number of destinations and new travel protocols have been introduced such as the requirement to produce a negative COVID test result on entry, temperature checks and mandatory entry forms.

Advice varies between destinations and can change rapidly. All the package holidays contained within this mini brochure are for travel post-April 2021 and measures which are in place today at time of publication are likely to have changed and evolved in that time. We strongly advise all customers to monitor travel advice, in particular entry and return requirements, before they travel. [The most up to date information can be found here.](#)

Please also note that the hotel facilities and safety measures displayed within this mini brochure are correct at time of publication but may be subject to change. We advise you to check the hotel's website before travel for the most up to date advice and information.

^ £99pp deposit applies to specified packages and must include: (a) flights; and (b) accommodation and/or car hire, where the carrier does not require full payment at time of booking - please check with your sales agent at the time of booking. In the event that your booking is made within 10 weeks of departure, payment must be made in full at the time of booking.
